SUBJECT: BLOOD DONOR PROGRAM

Congratulations and thanks again to all who participated in recent Medic Blood Drives! Recent blood drives resulted in a sufficient number of units collected to extend Blanket Family Coverage to all ORO, YAO, and OSTI donors and family members listed for income tax purposes. Donors who have not yet received results of their cholesterol screening test should receive them in the mail within the next 4 weeks. Collection statistics are provided below for your information.

<u>DATE</u>	<u>LOCATION</u>	<u>UNITS COLLECTED</u>
January 16, 2001	55 Jefferson	23 units
January 24, 2001	FB	41 units
May 24, 2001	FB	<u>42</u> units
	TOTAL	106 units

Our quota for 2001 is approximately 175 units. Medic will return again in August 2001. If you have any questions about the Blood Donor Program, please contact Iris Housley, RN, COHN-S at 576-0682.
