December 14, 2001

SUBJECT: BLOOD DONOR PROGRAM RESULTS IN CONTINUED BLANKET COVERAGE

Thanks to your generous response to the recent Medic Blood Drive, we have exceeded our quota of 180 units for calendar year 2001! Collection statistics are provided for your information.

DATE	LOCATION	UNITS COLLECTED
January 16, 2001	55 Jefferson	23
January 24, 2001	Federal Building	41
May 24, 2001	Federal Building	42
August 9, 2001	Federal Building	51
August 30, 2001	Office of Scientific and Technical Information (OSTI)	19
August 30, 2001	55 Jefferson	6
December 5, 2001	Federal Building	58
TOTAL:		240

All donors and family members claimed as dependents for income tax purposes will receive blood replacement coverage for 1 year from the date of donation. In addition, blanket coverage has again been achieved for all non-donor Federal employees and their family members for 1 year.

Individuals who donated blood on December 5 will receive the results of their cholesterol screening test in the mail in approximately 4 weeks. If you have any questions about the Blood Donation Program, please contact Iris Housley, RN, COHN-S, at 576-0682.
