**SUBJECT: MEDIC EMERGENCY BLOOD DRIVE**

Medic will hold an emergency blood drive on Thursday, January 15, 2004, from 8 a.m. to 4 p.m. Medic is especially low on all blood types due to the increased number of accidents, surgeries, and donors traveling during the holidays.

Donations will be accepted in the Medic Bus which will be at the loading dock of the Federal Building. All donors will receive a free T-shirt and free cholesterol screening at the time of donation. Results of the free cholesterol screening should arrive in the mail within 4 weeks from the date of donation. Donors and individuals claimed as dependents under Internal Revenue Service guidelines will be exempt from paying blood supplier processing fees at any hospital in the United States for 1 year.

No fasting is necessary, and no appointment is required. Positive identification, such as a driver's license, is required for a donation. No donations will be taken from noon to 1 p.m. while Medic employees break for lunch.

Questions about the blood drive should be referred to Sherry Stotemyer at (865) 576-0669.
