

KING DAY OF SERVICE

What is King Day of Service?

Initiated by Congress in 1994, King Day of Service is a nationwide effort to transform the federal holiday honoring Dr. Martin Luther King, Jr. into a day of community service, grounded in Dr. King's teaching, that helps solve social problems.

Where can I volunteer?

All employees are encouraged to participate in King Day of Service by performing individual acts of kindness through service to others. To find volunteer opportunities within your state or local area access the link: [MLK Day Opportunities](#).

When can I volunteer?

King Day of Service is January 19, 2009. If you are unable to participate on King Day of Service, don't despair many programs need year long volunteers. To learn about additional volunteer opportunities visit: www.volunteer.gov.

Share your Experience!

Providing service to others can be very rewarding. We want to know about your volunteer experience and the impact your service or service project made in the community. Please send an email to: Gloria.Smith@hq.doe.gov and type "I volunteered" in the subject line of your email. Look for more information on the Dr. King Commemorative Program in future DOECAST announcements.
