

SAFETY FAIR RESULTS

What a wonderful, energetic Safety Fair again this year!! Each organization should be very proud of the results of their hard work. The voting again this year was very close in several of the categories. Listed below are the results of the Safety Fair Booth Contest. Congratulations to all participants!

Most Innovative Safety Booth

WINNER Swimming Pool Safety (Procurement & Contracts)
2nd Place Radiation in Perspective (Environmental Management)
3rd Place The Long Hot Summer (ES&H, Inc.)

Most Fun Safety Booth

WINNER Driving Safety (AMARC, LLC)
2nd Place Swimming Pool Safety (Procurement & Contracts)
3rd Place Active Shooter (Security & Emergency Management)

Most Informative Safety Booth

WINNER Active Shooter (Security & Emergency Management)
2nd Place Hand/Power Tools (Facility Management)
3rd Place Computer and Information Safety (MCH Corp., Inc.)

Most Safety Spirit Booth

WINNER Hand/Power Tools (Facility Management)
2nd Place Active Shooter (Security & Emergency Management)
3rd Place Driving Safety (AMARC, Inc.)

Plaques and certificates were presented on May 20th in the B Rooms by Paul Golan. It's not too early to be thinking of ideas for the 2012 Safety Fair. If anyone has any ideas or suggestions for improvement in the conduct of the Safety Fair, please contact Jenny Mullins at 576-0836 or mullinsjg@oro.doe.gov.
