

ORO ANNUAL SAFETY FAIR

Things Change Safety Doesn't!

May 5, 2011

Building 2714 G Conference Area

9:00 a.m. – 1:00 p.m.

It is that time again – SAFETY FAIR TIME!! We would like to each ORO organization to agree to sponsor a booth again this year. Last year's ideas and themes were GREAT. Each organization should decide on a theme for office safety or off-the-job safety, do their own research (or I can assist), and set up a booth. It will be very interesting to see the different types of activities and presentations that are displayed this year. During the Fair, employees will be allowed/encouraged to vote on the booths they like best. Federal and Support Service Contractor employees will be eligible to compete for the Booth Awards (not vendors from outside ORO). See Booth Award Categories below. Each organization should understand that their booth should be manned from 9:00 - 1:00 on May 5, 2011.

Each ORO organization or support contractor that decides to sponsor a booth in the Safety Fair needs to contact Jenny Mullins at mullinsjg@oro.doe.gov by April 15, 2011 with the following information:

1. Safety topic for booth
2. Point of Contact(s) for your organization
3. Needs for Booth (e.g., electrical outlet, 1 or 2 tables, etc.)
