SUBJECT: **SOLICITATION OF INTEREST – DEPUTY ASSISTANT MANAGER FOR SCIENCE, GS-15**

TO: All ORO Employees

The Office of Assistant Manager for Science (AMS) has a vacancy for the Deputy Assistant Manager for Science position. The incumbent of this position will assist in implementing DOE program policy and direction in the accomplishment of nuclear and non-nuclear energy research and development missions; managing contracts for operation of the ORNL and the ORISE; providing operational oversight and assuring regulatory compliance; providing effective federal stewardship of DOE resources; and managing and directing of the personnel, programs, and resources assigned to the AMS.

Consideration for this position will be given to employees who are currently at the GS-15 grade level and who meet the qualification requirements as an Engineer or Physical Scientist as defined in the Office of Personnel Management's Group Coverage Qualification Standard for Professional and Scientific Positions.

If you wish to be considered for reassignment to this position, please submit a statement of interest and a one to two page narrative expressing why you are interested in the position to Jill Stephenson in the Federal Human Resources Branch by close of business March 6, 2007. A resume is not required but may be submitted if desired.

If you have any questions regarding this solicitation of interest, please contact Jill at 576-0677 or at stephensonmj@oro.doe.gov.
