

We request that all building occupants participate in a survey to assess facility management and mission support activities including security, safety, etc. Completing your survey will help us to better serve your needs and be used to measure effectiveness of these vital support activities.

Please access the survey using one of the following links (select the link below that best identifies your office location). The survey takes approximately 5 minutes and will be available until June 8, 2010.

2010 Annual Survey Federal Building – <https://gs.gallup.com/gsatenant.gx>

The Federal Building Survey is being conducted this year by GALLUP under contract to the General Services Administration. We will be distributing mailers to Federal Building occupants with the codes that you need for this web site. If you do not receive one by June 3, 2010, please call the Facility Management Office on 576-0586.

2010 Annual Survey 2714 Complex - [http://www-internal.oro.doe.gov/ISMS\\_Survey/default.aspx?sid=16](http://www-internal.oro.doe.gov/ISMS_Survey/default.aspx?sid=16)

2010 Annual Survey 1916 Complex - [http://www-internal.oro.doe.gov/ISMS\\_Survey/default.aspx?sid=18](http://www-internal.oro.doe.gov/ISMS_Survey/default.aspx?sid=18)

2010 Annual Survey Other Building - [http://www-internal.oro.doe.gov/ISMS\\_Survey/default.aspx?sid=19](http://www-internal.oro.doe.gov/ISMS_Survey/default.aspx?sid=19)

The last question on each survey is “What else would you like us to know?” Please feel free to comment on any mission support activity in this comment box – i.e., fleet, communications, phones, pagers, medical unit.

**The question list has been greatly reduced in hopes that more individuals will complete survey forms.** We struggled during the 2009 survey to reach the percentage required for the survey to be valid.

This E-Mail was sent from an unattended mail box. Please do not reply. If you have any questions, please e-mail the Facility Management office, [maintenance@oro.doe.gov](mailto:maintenance@oro.doe.gov).
