

The DOE ORO Special Emphasis Programs, Oak Ridge Chapter of Federally Employed Women (FEW), and Blacks in Government (BIG) are collecting medical items from federal and contractor employees in Oak Ridge for the disaster relief in Haiti. This 3-week campaign will start on Tuesday, January 19. Please drop off needed items as listed below in the bins that will be placed at each elevator on the first floor of the Federal Building, 2714 Complex, ORNL Site Office, and at OSTI.

Items collected will be boxed and taken to Remote Area Medical (RAM) in Knoxville. RAM is using their transport plane to send much-needed medical supplies to Haiti. They will be making several trips over to Haiti in the weeks to come. If you have questions or would like to volunteer please contact Dationa Carter at 576-1221 or Beverly Schultz at 576-2117.

Let's all pull together and help the people of Haiti who are dealing with this horrific tragedy. There is strength in numbers and we can make a difference when we all work together for the good of others.

Below are a list of items that will be collected. Please only donate unused/unopened items:

HAITI SUPPLY LIST FOR RAM DISASTER DELIVERY

Aspirin – as much as you can provide

Ibuprofen/ Tylenol – liquid for infants
Tablets for adults

Anti-diarrhea medication (like Imodium) tablets or capsules (not liquid or liqui-gels) – as much as you can provide

Anti-itch cream (Benadryl)

Vaseline (we can use up to 20 pounds)

Antibiotic cream (Neosporin) as much as you can provide

Ace bandages – as much as you can provide

Ziplock bags – all sizes

Fine tip sharpies - 20

Alcohol in plastic bottles up to 50 bottles

Wash cloths – will be lower priority so will be one of the last things packed

Dish towels (flour sack cotton, not washcloth type – basically those that would leave less lint) these are for use by docs when treating patients

Empty bottles with multi hole pop up caps various sizes (these can be filled with water to flush debris) you can find smaller ones in travel item section at Wal-Mart

Crutches – have an old set at home you aren't using? If stoppers, handgrips and arm pads are in good shape - we can use these.

Eye drops – non-medicated (saline...liquid tears) as much as you can provide.

Gauze pads – 2x2 and 4x4 sizes

Band-aids – 20 –30 boxes

Bandages
