

Upcoming Employee Event

I am very excited to announce an event happening next week on October 18 from 9:00-10:45 a.m. The event titled *Oak Ridge: Two Years of Recovery Act Success* will cover all of Oak Ridge's Recovery Act successes in Environmental Management, Science, and Energy Efficiency.

During the past two years, each of you has played a vital role in Oak Ridge's achievement. I strongly encourage everyone to attend this event and learn how our accomplishments advanced missions and prepared a foundation for future successes.

Please mark your calendars and support this event.
