### 2013 SECURITY REFRESHER BRIEFING

Department of Energy (DOE) Order 470.4B *Safeguards and Security Program (July 21, 2011)*, requires that all employees who possess an active DOE access authorization receive annual refresher briefings (at approximately 12-month intervals).

The 2013 *Annual Security Refresher Briefing* is now available. You can access the briefing by going to <http://orotrain.oro.doe.gov/asrb>. Click on "Start Now" and complete the log-on process and briefing. Upon completion of the briefing, each employee must print a copy of their "Briefing Summary" page to document that they have completed the briefing. If your training records are located at the Oak Ridge Office (ORO) Training Center, a copy of this "Briefing Summary" should be provided to the ORO Training Center via mail at mail stop AD-443, fax at (865) 574-5661, or by e-mail as an attachment to [TrainingCTR@oro.doe.gov](mailto:TrainingCTR@oro.doe.gov). This briefing must be completed by January 31, 2013. Failure to complete the briefing by this date may result in the administrative termination of your access authorization.

If you have questions or require assistance in meeting this requirement, please contact Steve Pruitt, ORO Security Awareness Program Manager, of my staff, at (865) 576-0916/ [pruittsa@oro.doe.gov](mailto:pruittsa@oro.doe.gov) or Kim Dodson, Administrative Support Specialist, at (865) 576-0921/ [DodsonKA@oro.doe.gov](mailto:DodsonKA@oro.doe.gov).
