

All federal employees of the DOE Oak Ridge Office, the Oak Ridge Environmental Management Site Office, and the Oak Ridge Nuclear Energy Site Office are encouraged to attend a joint all-hands meeting on **Wednesday, June 5, 9:00 a.m.**, at the American Museum of Science and Energy. This joint all-hands meeting will address a number of items, including an update on asbestos abatement actions in the Federal Building.

The meeting agenda is as follows:

- Safety message
- Status of Federal Bldg.
- Service awards/employee recognitions
