

Due to last minute scheduling conflicts, the joint all-hands meeting with the Oak Ridge Office of Environmental Management, the Oak Ridge Office of Nuclear Energy, and the Oak Ridge Office has been postponed. This joint meeting will be rescheduled.

PLEASE NOTE THOUGH: The Oak Ridge Office will still have its regularly scheduled all-hands meeting on **Wednesday, June 5 at 9:00 a.m., at the American Museum of Science and Energy** for federal employees.

Thank you.
