

The HEAT is on in the kitchen!!! Many of our colleagues and friends are making their last rounds to get all the ingredients they need for the tastiest event of the Combined Federal Campaign (CFC) – “A Taste of Diversity.” There are close to 35 dishes already entered into the cooking contest and we may still get some surprise entries. Do not forget! Come with your voluntary contribution and participate in the “tasting.” You do not have to bring a dish to participate in the tasting, just bring your voluntary donation, cash, or check to benefit CFC. All food entries must be ready for judging by 10:30 on December 5. Food will begin to be served at 11:15 a.m. Come join us for lunch at the C1-C2 Conference Rooms of the 2714 Complex.

Questions should be directed to Mildred Ferre at (865) 576-8018.
