The Department of State's Bureau of Population, Refugees, and Migration (PRM) sponsors qualified U.S. citizens for employment in the United Nations High Commissioner for Refugees (UNHCR) Junior Professional Officer (JPO) program and in the International Organization for Migration (IOM) Associate Expert (AE) program. Although the qualifications for JPO and AE positions vary by assignment, generally, a graduate or law degree in a relevant discipline and proficiency in at least one UN working language in addition to English are preferred. Competitive applicants typically possess three (3) or more years of work experience in a developing country and an academic background in fields related to human rights, forced migration, humanitarian assistance, development, or immigration law. Prior work experience in or familiarity with the UN system or IOM is also helpful. PRM-sponsored JPOs and AEs serve as entry-level international professional officers (the UN P-2 level) for 2 or 3 years in many countries throughout the world. For additional information regarding the program, including any current vacancies and how to apply, go to <http://www.state.gov/g/prm/c25774.htm> or visit PRM's website at www.state.gov/g/prm and follow the link under "What We Do". Applicants should be aware that the process is very competitive and that successful candidates are expected to deploy within approximately 2 months of being selected.
