This is to inform you that the Office of Assistant Manager for Defense Programs has reorganized. Effective October 24, 1999, the Y-12 Site Office, the Y-12 Program Management Branch, and the Y-12 Environment, Safety, and Health Branch have been abolished. Three new Divisions have been established under the Office of Assistant Manager for Defense Programs; organizational titles and routing symbols are as follows:

|                                |       |

These new organizations will be added to the Oak Ridge Operations organization chart and route slip with the next scheduled revision in December.
